

Harmen Liemburg

Wednesday,
April 12th, 2006

12:30 - 2pm
Tower 659

MassArt welcomes renowned Dutch graphic designer and printmaker Harmen Liemburg. Currently the Artist-in-Residence at the Northeastern University, Liemburg's work is constantly being influenced by his surroundings. Born and raised in Amsterdam, Liemburg's work is filled with beautiful colors, intricate patterns and a playful imagination. His experimentation with the silkscreen printing process has produced a rich and unique body of work.
